Dear Mr. Hearst:

Admiral Turner has asked me to thank you for your letter of 24 October and for your invitation for him to address delegates to your United States Senate Youth Program in February. Admiral Turner would very much like to participate but it is very difficult this far ahead to promise that he will be available at a specific time on a particular day.

We would hope that you will plan to come to CIA Headquarters at 2:30 p.m. on Tuesday, 5 February for a CIA briefing and a question and answer session with the understanding that Admiral Turner will personally participate if at all possible. If for some reason he cannot we will provide a senior Agency official and perhaps a panel of senior officers to provide an interesting and informative session.

If this arrangement is suitable please let me know and we will work out the details with your staff.

Sincerely,

SIGNED

Herbert E. Hetu
